President's Report

Dear Life Members, players, partners and families.

The preseason started with a few of our senior players heading to Latrobe Valley to compete in the Gippsland Championships. A great performance saw them take out the shield for Dingley but what was more pleasing was the letter of praise I received from the Latrobe Valley president, for the great sportsmanship and conduct that was shown while they were representing all of us.

While it took a bit to get our juniors onto the training track we had some great numbers and some successful teams. With an U12, two and a half U14 and an U16 team entered in the DBA this year we saw 3 out of the 5 make a finals appearance. I would also like to congratulate all our Junior players that made the various representative sides over the year.

A great bunch of players saw Dingley enter 6 sides across all the grades, this is a great effort for the club and what is pleasing is that all the teams were competitive. The talent throughout the season saw 3 of the 6 sides making finals but the other 3 were only just out of the top four. This should hold us in good stead for the 2019 season with some young talent showing promise throughout the year.

Congratulations again to all the seniors representing various representative sides. We had players and a strong contingent of coaches throughout these teams.

An awesome year of pitching saw Ash Riddiford take out the B&F for the C1 grade while we had a second place in A1 – Jack Wills. Matt Prior came third in the A2 and Nathan Wilson also came third in B2. Also, well done to Jason Delange on coming fourth overall in C2.

Overall a great season on the field and a successful year. We can't achieve any of this without the support of the on-field volunteers. All the coaches, assistant coaches, scorers, umpires, ground crew and parents we thank you for your support. Special mention to Doug Mclean, Noddy, Shae and Ash Riddiford for marking diamonds on Friday nights. Also, all the players including some juniors for marking diamonds for both senior games in the afternoon. It's great to see the kids helping get the diamonds ready for seniors in the following game.

Most successful clubs have one thing in common, they all have a great support network off the field.

From our Sponsors Bendigo Bank, Ray White, Fielders Choice, Mentone Premix and Healthy Bodies we thank you for your support.

All the players who pull together to sell chocolates, stay and have a tender roll or even partake in a beer it is reflected in the revenue we make and can put back into the club for trophies and equipment for all the club to benefit. To Cossie and the Diamond Club thanks again for your support in 2018.

A special mention must go to all that supported the Bunnings BBQ to help raise money for our great mate Jack Larner. This shows the influence one person can make on many and the respect he has from all his Dingley people.

Thankyou Robyn and the people who helped in the canteen, your efforts helped keep all the players and supporters feed and hydrated in the cold winter months. Also, Thanks Auke Pool for his continue Friday night cleaning of the clubrooms throughout the season.

To the committee for your support throughout the year and spending your free time helping make the club a great place to be around. To Kirst for doing all the grunt work and dealing with the DBA and doing a fantastic job.

To my family for their support and allowing me the privilege of helping guide the club to become better all the time. This club is like family to me and we all love being a part of it.

Of course, I need to thank Tash, for not only allowing me to spend my time at Dingley but also jumping in and helping with the canteen and any other events, shopping, cleaning etc.

All this on field and off field commitment from all members has allowed us to compete at the top level. With that I am pleased to officially announce our award from the DBA of Club Champions.

Let's all raise a glass to the best baseball club ever!

Cheers Smitty

AUDIT / REVIEW REPORT

To: The Members of Dingley Baseball & Softball Club Inc.
From: Adam Sellars
Chartered Accountant Member 249101

I have conducted a review of the books, accounts, and records of the Dingley Baseball & Softball Club Inc. for the year ended 31 October 2018 and provide the following report to you.

Responsibility for the Financial Report

The Committee is responsible for the preparation and fair presentation of the annual financial report, and they have determined the accounting policies that are appropriate to meet the needs of the members.

Auditor's Responsibility

My responsibility is to conduct a review of the reports and express an opinion as to whether anything has come to my attention that causes me to believe that the financial report is not presented fairly, in all material respects. Materiality refers to a level of errors that would not have a significant impact on the decisions made by the users of the financial report.

Limitations and Qualifications

It is not practicable for the Dingley Baseball & Softball Club Inc. to establish internal controls over income for various fund raising activities, in particular surrounding cash, and as such it is not practicable to perform review procedures to be satisfied that all such income has been recorded in the reports.

Independence

I comply with the Independence guidelines set by my professional body and Australian Auditing Standards. I am not a member of the Dingley Baseball & Softball Club Inc.

Opinion

Subject to the above limitations and qualifications, nothing has come to my attention that causes me to believe that the annual financial report of the Dingley Baseball & Softball Club Inc. does not present fairly, in all material respects, the financial position as of 31 October 2018 and the performance for the year ending that date.
