President's Report

It was a disappointing year for baseball in 2020. We were able to get some training in for Juniors and Seniors but sadly with the second wave of Covid 19 we were forced to cease training and concede that there would be no 2020 winter season.

The club would like to thank Tony Cevic as Head Coach and his assistant Harro in conducting senior training and making sure all the precautions required to keep the players safe were implemented and followed. Also, thanks to Allan and Leanne Corbin for taking on the role of Junior coordinators again and for their help in organising what was a very frequently changing landscape around training and keeping the juniors engaged for as long as possible. It was good to be able to see the kids forget for a little while, what the world is going through and just have fun.

We were also blessed this season with sponsors that helped ease the burden of running the club. With no player membership for 2020 to contribute towards the normal activities of the club and further purchases of signs, hand sanitiser etc. the support from our sponsors was received with great thanks.

Our 2020 Sponsors were:

Buxton Real Estate

IMG Academy (Lyne & Colin Price)

B-Linked Communication (Andrew Bailey)

Bunyip Equipment (Daniel Taylor)

A big thanks goes to the committee for organising what was required to get our players back on the diamond. A lot of things changed daily and, in some cases, hourly and the team adapted quickly to allow every possible chance to keep the club running while adhering to the Covid-19 restrictions.

A super special thanks to our newest Life Member Kirsten O'Callaghan who showed why she was given this prestigious honor. The countless meetings and liaising with Baseball Victoria, DBA and council to make sure we had completed all the tasks required to allow the club to resume training. There is also a lot of work on implementation of Covid safe return to play, that was not able to be utilised as the season was cancelled. She also spent many hours in meetings as

part of the DBA executive to guide the whole association in the best way possible.

To all our players and supporters let's look forward to getting back to the diamond in 2021. Let's make sure we support the club and adhere to the government guidelines so we can continue to get in a full season.

Please all stay safe as I look forward to catching up with all of you soon.

Cheers Smitty
