

How to Register for 2021 Winter Season

Step 1 Go through Baseball Victoria website – Winter Return to Play
<https://baseballvictoria.com.au/winter-return-to-play-registration/>

Or through the Dandenong Baseball Website
<https://dandenongbaseballassociation.com/player-registration/>

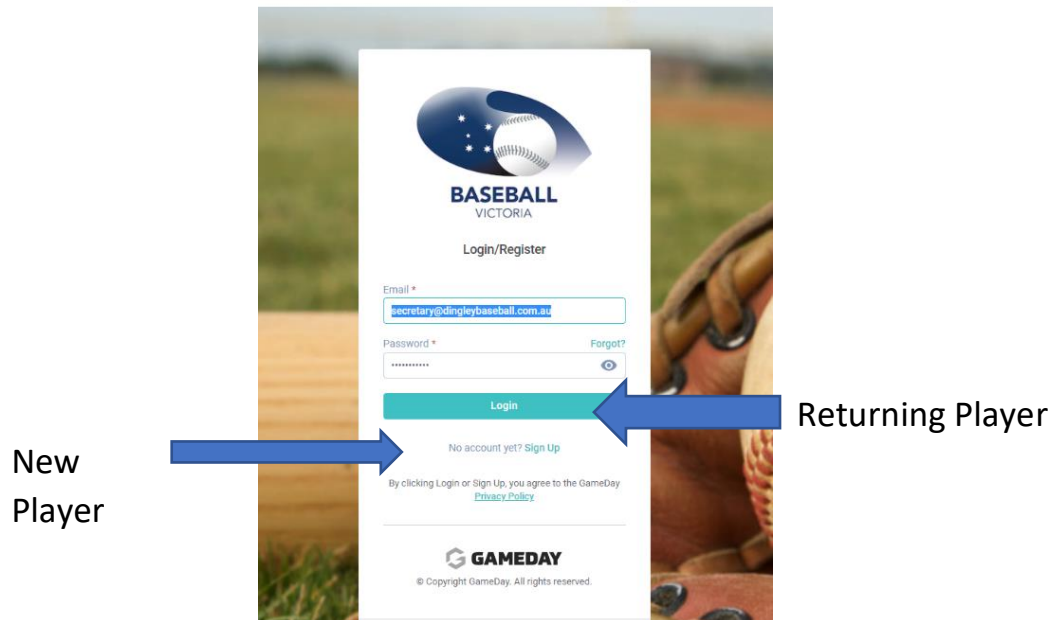

Step 2 Registration Log In:

RETURNING PLAYERS: Log in using your previously used email address and password. If you cannot remember your password don't panic! You can re-set it.

NEW PLAYERS: sign up with your email address.

NOTE: Please use a personal email address. Avoid using work or school email addresses if possible. They tend to have more firewalls and cookies that prevent people from logging in properly.

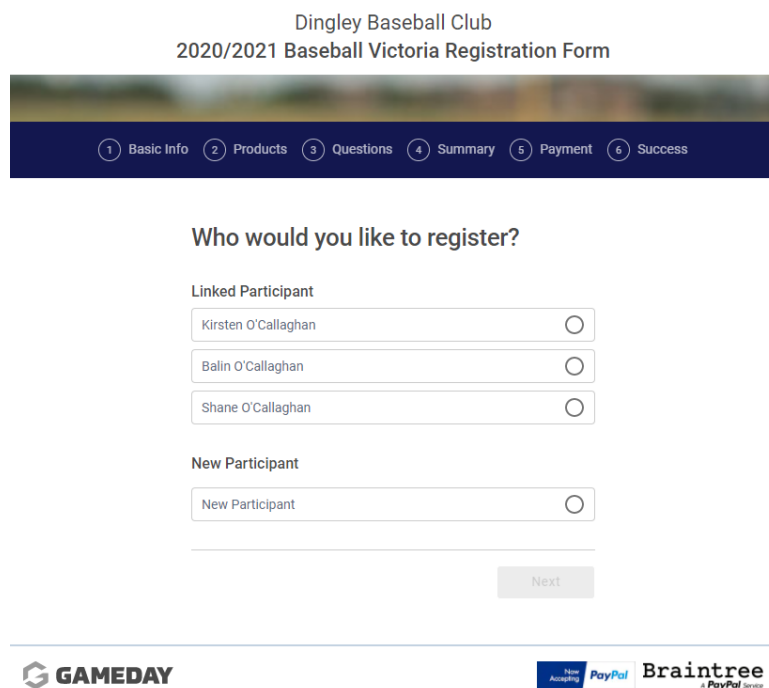

You need to be able to access your email address in future seasons.

If you have registered previously, you MUST login using the exact email and password you used when you registered, no matter what club you registered for. If you do not know your password, you can reset it. If you cannot remember your email address, contact your Club Secretary or the BV Office 9345 8000 for assistance.

Step 3 Once logged in:

NEW registrations choose yourself (if you are the player) or someone else (if you are registering your child or another family member) and fill in the details.
